

Asher Round Coffee Table

1530.00 €

Meet the Asher Round Coffee Table, where artisanal craftsmanship meets modern design. Built by skilled craftsmen from solid Finnish pine and oak veneers, its mortise-and-tenon joinery ensures lasting strength and stability. Each wood surface is meticulously hand-stained and sealed with a protective lacquer for a subtle, captivating sheen. The elegant zinc-alloy base features a light brass finish, providing a sophisticated anchor for the stunning white marble or bluestone top. A perfect blend of natural materials and refined style for your living space.
