

Zephyr Red Oak Dining Table

3450.00 €

Meet Zephyr: a solid Romanian red oak centerpiece that turns every meal into an event. Hand-stained and sealed with acrylic lacquer, its surface glows with grain that's literally one-of-a-kind. Nature signs each top—knots, subtle splits, shifting tones—so no two tables ever repeat. It's not imperfect; it's autographed. Ready for daily feasts, late-night laptops, and everything between. Just wipe, serve, admire.
