

Granada Swivel Rope Chair

945.00 €

Twirl into relaxation. Hand-woven polyester rope wraps a feather-light aluminum frame, giving you 360° views and weather-defying style. The intricate vertical weave feels like linen, cleans like plastic, and laughs off rain, sun, and salt. A powder-coated finish locks out rust for seasons of swivel-powered lounging. Ready to ship, no assembly required—just grab a cushion and spin.
