

Lakeshore White Marble Outdoor Dining Table

1057.50 €

Elevate your outdoor dining experience with the stunning Lakeshore Table. Its white faux marble tabletop, crafted from innovative glass fiber-reinforced concrete, offers the luxurious look of natural stone with exceptional durability and weather resistance. Each table is a unique work of art, finished by hand with a water transfer technique that creates beautiful, one-of-a-kind grey veining. The sturdy grey concrete base is reinforced with an internal metal frame for unwavering stability. Fully sealed with a protective clear coat, this table is built to resist scratches, stains, and the elements. Embrace the unique character of your piece, where subtle variations and natural imperfections tell its story.
