

Rowan Solid Wood Performance Fabric Bed

1200.00 €

Sleep in rustic elegance. The Rowan pairs hand-finished solid larch and catalpa woods with high-performance Crypton® Nomad Snow fabric that shrugs off spills, stains and pet hair—no box spring needed. Clean lines hide 5.5" of under-bed storage, while generous frame cavities (61" × 80.75" Queen, 77" × 80.75" King) let bedding tuck in tight for a tailored hotel look every morning. Sturdy, timeless, worry-proof. Just add your favorite mattress and dream easy.
