

The Briar Bed Artisan Crafted

2193.75 €

Meet the Briar Bed, a masterpiece of American craftsmanship built by our North Carolina artisans. Its foundation is a sustainably sourced hardwood frame, certified by the Sustainable Forestry Initiative, ensuring beauty and durability that lasts. Designed for real life, the Briar features a versatile frame that accommodates most mattress sizes and makes bed-making effortless. This is more than a bed—it's the centerpiece of your collection. Choose from our array of customizable fabrics and leathers to create a piece that is uniquely yours. For a perfect match, we recommend ordering a material swatch.
