

Oakes Crafted Hardwood Bed

1350.00 €

The Oakes Bed combines timeless craftsmanship with modern performance. Built from solid hardwood and engineered wood, its foundation is designed for lasting durability. Upholstered in our premium, sustainable Crypton® fabric that's incredibly soft yet engineered to resist stains, moisture, and odors. The plush cushions feature dense foam with plant-based materials for superior comfort. No box spring required. Accommodates standard mattress sizes. Customizable with a variety of fabrics and leathers. Contact our Design Team to create your perfect look. For the ideal match, we recommend ordering a fabric swatch first.
