Our handwoven all-weather resin wicker is specially formulated and hand-finished by artisans to resemble authentic rattan. This one-of-a-kind formula is created exclusively for Siena living to be as beautiful as it is durable, and is highly resistant to mildew, fading, sagging, staining, tearing, and cracking.

Finished all-weather resin wicker features varying high and low tones that mimic the appearance of natural materials. Dry-brushing creates organic textures and adds depth to woven surfaces.

All-weather resin wicker is supported by rustproof aluminum frames, resulting in durable, corrosion-resistant furniture that will last season after season.

Each finish is complemented by rustproof aluminum feet in a stainless-steel finish.

Outdoor cushions made in Mexico are mold- and mildew resistant; sustained by an outdoor elastic support system for added resiliency.

Lofty, zippered outdoor cushions are padded with high-resiliency, antimicrobial foam covered in weather-resistant InsideOut Performance Fabric.

InsideOut Performance Fabrics are made from durable polyester and polypropylene fibers, which are bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.

Dense foam padding enables high elasticity, providing ideal support and distributing pressure across cushion surfaces—helping seats bounce back from heavy use.

Polyester fibers encase foam cushion cores to provide additional comfort.

Cushion fill is completely sealed in water-repellent coverings—featuring serged interior edges to enhance cushion strength and longevity.

Replacement cushions can be ordered to complement your Siena living outdoor furnishings. Order cushions in a different fabric to completely transform the look of your space.
