

June Solid Oak Sideboard

1901.25 €

Meet the June Sideboard, a stunning fusion of modern design and traditional Indonesian craftsmanship. Expertly built from solid oak wood and veneers, each piece features a unique hand-applied finish that celebrates the wood's natural grain and character. Its sophisticated interior boasts a shiplap back panel and contrasting finishes, while two adjustable shelves (one behind each door) offer versatile storage. Practical details include discreet cord management holes for electronics and a sleek, grounded plinth base.
