

The Stonegate Petrified Wood Coffee Table

3172.50 €

Meet the Stonegate: a stunning centerpiece crafted from nature's own art. Each table is a unique slice of history, featuring a solid petrified wood surface sealed in a crystal-clear epoxy resin and hand-polished to a brilliant, smooth finish. Responsibly sourced and artisan-crafted in the Philippines, no two tables are ever alike. Embrace the unique character of your piece, from its organic patterns and subtle variations in color to the natural fissures and joint lines that tell its one-of-a-kind story.
