

Tailored Sur Last Patio Furniture Covers

197.40 €

Shield your Siena pieces in style. These made-to-fit covers slip on in seconds and lock tight with self-release buckles, keeping seats pristine through storms, sun and pollen season.

Woven in Mexico from 100% solution-dyed Sur Last® polyester, the fabric breathes to stop mildew yet blocks UV rays and driving rain. Color stays sharp year after year—backed by a 3-year warranty against fade, seam separation and zipper failure.
