

Vaughn Leather Power Recliner

2025.00 €

Experience ultimate comfort with the Vaughn Power Recliner. Crafted from premium leather and built with a solid hardwood frame, this chair is designed for lasting durability and sophisticated style. Simply press a button to smoothly recline and elevate the footrest. The plush seat cushion is filled with sterilized down and dense foam, while the high back offers exceptional support with a blend of foam and poly fibers. Requires electricity and 12" of wall clearance. A 10.5' power cord is included. Contact our Design Team to explore custom leather options and order fabric swatches.
