

Callahan 6 Drawer Shagreen Dresser

2550.00 €

Storage that steals the show. Six deep drawers wrapped in hand-stained walnut or oak glide open on soft-close slides, revealing English dovetail joinery that's made to last a lifetime. Touchable shagreen-embossed leather panels and brushed brass pulls add boutique-hotel glamour without shouting. Pick Sparrow, Caramel, Bone or Manta—each finish is craftsman-built, lacquer-sealed and ready for real life. Style tip: let it anchor your bedroom, then watch every guest run a hand over the leather and ask “where did you get that?”
