

11 Drawer Mindi Wood Dresser

1837.50 €

Hand-built in Indonesia from sustainably harvested mindi wood, this dresser stores a wardrobe behind eleven hand-carved drawers. Dovetail joinery and soft-close glides give every tug a high-end feel, while a lacquered finish protects the warm, rich grain. Three graduated heights swallow everything from socks to sweaters. Natural knots and splits add character that won't quit—just like the mortise-and-tenon frame that's made to move with the seasons, not against them. Solid mindi wood & veneers Dovetail drawers, soft-close Upper: 19.25×15.25×3.75" Middle: 30×15.25×6.75" Bottom: 30×15.25×10.5"
