

# Bennett Solid Mindi Wood Dresser

1350.00 €

Handcrafted in Indonesia from sustainably harvested solid mindi wood, the Bennett Dresser blends artisanal tradition with modern functionality. Its elegant frame is reinforced with time-tested mortise-and-tenon joinery for exceptional stability that lasts. Features six spacious drawers with smooth, soft-close glides and dovetail construction. Each drawer front is adorned with hand-carved curved molding, while the interiors are lined with elegant beech wood veneer. Finished by hand with a rich lacquer coat for protection and a subtle sheen, this piece celebrates natural wood's unique character. Note that small organic features and seasonal movement due to humidity are natural and expected, adding to its authentic charm.
