

Keegan Leather Swivel Glider

1050.00 €

Settle into the sublime comfort of the Keegan Glider. Expertly crafted from the world's finest hand-finished leathers, each piece boasts a unique character with natural variations and textures. Built for lasting performance, its solid hardwood frame and no-sag recycled steel springs provide exceptional support. The plush seat and back cushions are filled with high-density, plant-based foam for cloud-like comfort. Effortlessly glide or complete a smooth 360-degree swivel to find your perfect position, making it the ideal centerpiece for relaxation and conversation.
