

Maeve Oak Rattan Counter Stool

588.00 €

Pull up a Maeve and stay awhile. Solid oak legs, airy rattan cane and a cushy upholstered seat mingle for a look that's light, warm and effortlessly cool. Each frame is hand-finished in protective lacquer—choose classic oak or the moody Black Drifted option with its contrast back. Crypton® performance fabrics and custom colors are just a chat away with our Design Team. Counter or bar? Measure first, then select the height that fits your space. Grab a free fabric swatch and design the Maeve that feels like it's always belonged.
