

Bennett Cane Bed

1575.00 €

This artisan-crafted collection is built in Indonesia from solid, locally grown, sustainably harvested mindi wood and mindi veneers.

Frames are supported by mortise-and-tenon joinery and corner-block reinforcements for exceptional stability.

Each piece is hand-sanded, hand-finished in rich tones, and brushed with lacquer for added protection and subtle sheen.

Beds are beautifully accentuated with hand-carved molding.

Gallery cane beds are expertly decorated with woven cane, creating a natural, boho, or coastal aesthetic.

Bed frames accommodate for variances in mattress sizes and allow bedding to be tucked in.

We recommend using our Retreat 8" Platform with this bed.

Low-footboard Bed footboards are 17.75" h.

Queen bed frame interior measures 61" w x 81" d.

King bed frame interior measures 77" w x 81" d.
