

Belmont Pine & Oak Round Dining Table

2340.00 €

Meet the Belmont, a round table that turns every meal into a warm gathering. Solid Finnish pine forms a sculptural pedestal, crowned by a silky oak top that invites lingering conversations. Hand-finished by artisans, the wood keeps its living character—knots, grain swirls and honeyed tones—so no two tables ever look the same. Compact enough for city lofts, generous enough for Sunday roasts. Pair it with your favorite chairs and let the stories spin.
