

# Sawyer All Weather Wicker Lounge Chair

1012.50 €

Sunbathe in style. The Sawyer lounge chair wraps you in handwoven wicker that looks like natural rattan yet laughs at rain, sun, and spills. Rustproof aluminum bones keep the frame feather-light and rock-solid for years of laid-back lounging. Cushions built for poolside life: quick-dry, open-cell foam and recycled poly-fiber cores drain water in minutes, while breathable mesh bottoms stop mildew before it starts. Zip-off covers in fade-proof, bleach-cleanable performance fabric mean ketchup, sunscreen, and summer storms are no big deal. Pair with the tailored Agora cover (sold separately) for off-season protection, then sit back and watch the sunset—this chair is ready whenever you are.
