843.75 €

Indonesian artisan-built frames are constructed from solid white oak and white oak veneers, using wood certified by the Forest Stewardship Council.

Wood surfaces are wire-brushed and sanded before staining; finishes are artfully applied by hand.

Finished wood surfaces are sealed and lacquered for added protection, featuring a subtle satin sheen.

Drawer is built using English dovetail joinery, sit on under-mounted soft-close glides, and features solid brass hardware in a subtle champagne color tone.

This collection is artisan-crafted from natural materials with hand-applied finishes. Individual pieces may vary in color, pattern, shape, and texture, making each truly unique.
