

# Bennett Wide Six-Drawer Dresser

1350.00 €

This artisan-crafted collection is built in Indonesia from solid, locally grown, sustainably harvested mindi wood and mindi veneers.

Frames are supported by mortise-and-tenon joinery and corner-block reinforcements for exceptional stability.

Each piece is hand-sanded, hand-finished in rich tones, and brushed with lacquer for added protection and subtle sheen.

Case pieces feature spacious drawers constructed with dovetail joinery and under-mounted, soft-close glides.

Drawer fronts are decorated with hand-carved, curved molding, while drawer interiors are lined with beech wood veneers.

Natural wood may display small splits, knots, joint lines, or other organic features that will not affect the quality or performance of your piece.

Furniture made from natural wood may move slightly due to temperature and humidity. This is normal and should be expected from season to season.
