

Ravine Teak Outdoor End Table

405.00 €

Meet the Ravine End Table, where rugged outdoor durability meets artisan craftsmanship. Expertly built from sustainably harvested Grade-A teak, its hand-applied wire-brushed finish reveals the wood's beautiful, natural grain and texture. Left uncovered, your table will gracefully develop a unique silvery-grey patina. Teak's natural oils make it incredibly resilient, repelling moisture, insects, and rot for a lifetime of easy care.
