

Lyric Rattan Dining Chair

168.00 €

Meet the Lyric Chair, where rustic charm meets modern comfort. Its handwoven rattan seat, crafted from natural seagrass, offers a unique texture and breathable comfort. Each chair is built from solid wood—birch for the Black finish, oak for the Natural Weathered, Dark Brown, and Stone Vintage finishes. Artisan-crafted with love, every piece is unique. The wooden surfaces are hand-finished with layers of paint or stain and a protective lacquer for a subtle, durable sheen. Embrace the natural beauty of organic features like small knots or grain variations, which add to its authentic character.
