

# Hayes Solid Pine Cabinet

2460.00 €

Introducing the Hayes Cabinet, where rustic charm meets enduring strength. Expertly crafted from solid pine and reinforced with traditional mortise-and-tenon joinery, this piece is built to be a cherished part of your home for years to come. Each cabinet is a unique work of art, featuring a hand-painted, lacquer-protected finish that is lovingly distressed. Embrace the character of natural wood grain, small knots, and subtle variations that ensure your piece is wonderfully one-of-a-kind. Antiqued brass hardware accents. Four interior shelves (3 fixed, 1 removable). Doors close securely to keep contents tidy.
