

# Foundry Executive Desk Handcrafted Mahogany

1845.00 €

Command your office with the Foundry Desk, a masterpiece of solid mahogany and ash crafted by hand in Indonesia. Sustainably sourced wood and solid iron hardware create a foundation of enduring quality and subtle rustic charm. Each desk is unique, featuring the natural character of wood grain, small knots, and organic splits. These aren't flaws; they're a signature of its artisanal origin, ensuring your workspace tells a story all its own.
