

Sawyer Outdoor Lounge Chair

1012.50 €

Our handwoven all-weather wicker is specially formulated by artisans to resemble authentic rattan. This one-of-a-kind formula is created exclusively for Siena living to be as beautiful as it is durable, and is highly resistant to mildew, fading, sagging, staining, tearing, and cracking.

Finished all-weather wicker features varying high and low tones that mimic the appearance of natural materials.

All-weather wicker is supported by rustproof aluminum frames, resulting in durable, corrosion-resistant furniture that will last season after season.

Crafted to withstand the elements, Sawyer's cushions have been engineered for maximum water drainage and air circulation.

Sawyer's cushions are crafted from an open-cell, quick-dry foam wrapped in high-quality poly fibers made from recycled post-consumer plastics.

Seat and back cushions feature a mesh bottom panel to allow water drainage and a zipper to easily remove the casing if needed.

InsideOut Performance Fabrics are made from durable polyester and polypropylene fibers, which are bleach-cleanable, fade-resistant, anti-mildew, and eco-friendly.

Protect your outdoor furnishings with resilient Agora® covers—specifically tailored to fit Siena living outdoor collections. Call, email, or live chat with our Design Team for details.
