

Atlas Oak Modular Desk with Return

3150.00 €

Crafted from solid white oak, the Atlas desk pair brings heirloom quality to your daily grind. A hand-wire-brushed finish whispers of decades of stories, while hidden cable troughs keep today's tech invisible. Buy only what you need: the main desk, return, files and storage all stand alone, snapping together into a workspace that grows with you. No rules, just solid wood and clean lines. Solid white oak & oak veneers Hand-stained, wire-brushed finish Built-in cord management Modular pieces sold separately
