

Jules Bed

1350.00 €

Craftsman-built bed frames are constructed out of hardwood and engineered hardwood.

Our sustainably certified Crypton® Home Performance Fabric is easy to clean, soft, and durable—engineered with stain-, odor-, and moisture-resistant technology in every fiber.

Bed frames include space to accommodate variances in mattress sizes and allow bedding to be tucked into frame.

Jules beds do not require a box spring.

Jules is available in customizable fabrics. Call, email, or live chat with our Design Team to create your own.

We want you to love your Jules as much as we do. We recommend ordering a fabric swatch prior to purchase, ensuring the perfect color choice.
