

Negril Aluminum Patio Dining Table

1080.00 €

Meet the table that turns every sunset into a dinner party. Negril's airy aluminum frame shrugs off rain, salt, and UV rays while staying cool to the touch on scorching days. Precision welds and a powder-coated finish give it the muscle of wrought iron minus the weight—lift it with one hand, wipe it clean in seconds. A discreet umbrella port (plug included) pops open for shade and vanishes when you want a sleek, uninterrupted top. Available in multiple sizes to squeeze onto a city balcony or anchor a poolside feast. Pair with our tailored covers for off-season protection—chat us for the perfect fit.
