

# Lisboa Double Chaise Lounge

1350.00 €

Sunbathe in style on the Lisboa, a double chaise built to outlast every season. Its cast-aluminum frame is welded for strength, then fitted with no-sag steel and elastic supports that flex just enough for cloud-like comfort. Rain? No problem. Cushions are wrapped in quick-dry, open-cell foam made from recycled plastic and covered in fade-proof, bleach-cleanable InsideOut® fabric. Water drains away, air flows through, and the chaise is ready for lounging again in minutes. Mix, match, or go minimal—configure your perfect outdoor retreat and leave the weather worries to us.
