Keep your Nantucket set showroom fresh. Sur Last® fabric—100% solution-dyed polyester—blocks UV, rain, and dust while letting furniture breathe, so cushions stay mildew-free and colors stay vivid. Each cover is laser-cut for your exact Siena piece, then finished with stay-put straps and self-release buckles that snap tight in seconds and release even faster. Built in Mexico for coastal-grade durability and backed by a 3-year warranty against fading, seam failure, and zipper blowouts. Need a custom sectional layout?
