

Arthur Cast Aluminum Martini Table

285.00 €

Meet Arthur: the sidekick that holds your drink while you shine. Sculpted from solid cast aluminum, each table is hand-antiqued and polished until it glows with a warm, vintage-metal soul.

Because the finish is done by human hands, every surface blooms its own swirl of bronze, pewter and gold—no two ever match, so yours is a limited edition of one.

Sturdy enough for patio parties, sleek enough for sofa-side martinis, Arthur arrives ready to elevate small spaces and big conversations.
