

# Outdoor Martini Table

375.00 €

Crafted from layers of high-strength glass fibers, sand, and cement to create a lightweight yet exceptionally durable, weather-resistant composite.

Finished pieces are colored, sealed, sanded, and coated with a polyurethane topcoat for added protection against scratching and staining.

Artisan-crafted furnishings with hand-applied finishes may vary in color, pattern, shape, and texture, making each truly unique.

Inherent variations in shading and color along with natural imperfections like surface cracks from finishing or non-structural hairline cracks due to age and exposure will add character to your piece without affecting its integrity, quality, or performance.

Protect your outdoor furnishings with resilient Sur Last® covers—specifically tailored to fit Siena living outdoor collections. Speak to a design consultant for details.
