

Milo Artisan Reclaimed Wood Dining Table

2122.50 €

Meet the Milo Dining Table, where rustic charm meets artisanal craftsmanship. Each table is a unique statement piece, meticulously handcrafted from solid reclaimed Finnish pine wood and topped with a stunning slab of hand-cut bluestone or white marble. Our artisans hand-carve the details and apply a hand-stained finish in Ebony, Mocha, or Slate, which is then artfully antiqued and protected with a clear wax lacquer. This process ensures no two tables are exactly alike, celebrating the wood's natural variations, knots, and character marks. Built for beauty and durability, the Milo table is designed to be the cherished centerpiece of your home for years to come.
