

Waverly Expandable Oak Dining Table

2362.50 €

Invite the whole crew. Solid Indonesian oak stretches from intimate dinners to holiday feasts with smooth built-in leaves that glide open on rack-and-pinion gears—no storage hunt required. Artisans hand-sand, stain, and lacquer every inch, so the grain glows and each table is one of a kind. Engineered hardwood core keeps it strong for years of second helpings. Seats 6 closed, 10 extended. Ready to host in under a minute.
