

Oakes Performance Upholstered Bed

1350.00 €

Sleep in sustainable luxury. The Oakes bed wraps a craftsman-built hardwood frame in stain-proof, soft-touch Crypton® fabric that shrugs off spills and pet paws. Plant-based foam cushioning gives cloud-like comfort while the tailored headboard turns bedrooms into boutiques—no box spring needed. Tuck bedding neatly and enjoy wiggle room for any standard mattress size. Make it yours: choose from dozens of fabrics or full-grain leathers. Order a free swatch, then chat with our Design Team to customize.
