1837.50 €

This artisan-crafted collection is built in Indonesia from solid, locally grown, sustainably harvested mindi wood and mindi veneers.

Frames are supported by mortise-and-tenon joinery and corner-block reinforcements for exceptional stability.

Each piece is hand-sanded, hand-finished in rich tones, and brushed with lacquer for added protection and subtle sheen.

Case pieces feature spacious drawers constructed with dovetail joinery and under-mounted, soft-close glides.

Drawer fronts are decorated with hand-carved, curved molding, while drawer interiors are lined with beech wood veneers.
