

Keegan Leather Glider

1050.00 €

Selected from the highest quality hides in the world, our leathers are hand-finished to accentuate their natural color variations, distinct textures, and other unique features.

Craftsman-built frames are constructed using solid, reinforced Inarate hardwood for lasting strength and durability.

Backrest and seat cushions contain dense foam made from partially plant-based material, padded with poly fibers.

Seat frame support system features no-sag springs made from recycled steel.

360-degree swivel and gilding mechanisms allow for easy movement to multiple positions.
