

Valletta Leather Sofa Handcrafted Elegance

2775.00 €

Meet the Valletta: a masterpiece of strength and style. Built by master craftsmen on a solid hardwood frame with recessed iron legs, this sofa is engineered for exceptional durability and timeless stability. Hand-finished, aniline-dyed leather that highlights the hide's natural character and unique markings. Seat cushions combine plant-based foam and a soft feather blend for cloud-like comfort, supported by flexible recycled steel coils. No-sag recycled steel springs and elastic webbing ensure lasting support and shape. Complete your vision. The entire Valletta collection offers customizable configurations and materials. Connect with our Design Team to create your perfect piece.
