

Handcarved Mindi Wood Cane Bed

1575.00 €

Sleep in island-made luxury. Sustainably harvested mindi wood is hand-carved, sanded, and lacquered to a warm glow, then wrapped in airy woven cane for instant coastal calm. Mortise-and-tenon joinery keeps the frame rock-solid, while the 17.75" low footboard and tucked-in rail let bedding drape just right. Choose Queen (61"x81") or King (77"x81"). Pair with our Retreat 8" Platform for the perfect finish.
