

Zephyr Solid Oak Dining Table

3450.00 €

Meet the Zephyr Dining Table, a stunning centerpiece crafted from sustainably sourced Romanian red oak. Its robust solid wood construction ensures this table will be a part of your family's story for years to come. Every Zephyr table is entirely unique. The hand-applied finish highlights the wood's natural character, celebrating beautiful variations in grain, subtle knots, and organic textures. These are not flaws, but the signature of nature, making your table one of a kind. Solid Romanian red oak construction Hand stained and finished with a protective acrylic lacquer Each piece boasts a unique grain pattern and character
