

Oakes Bed

1350.00 €

Craftsman-built bed frames are constructed out of hardwood and engineered hardwood.

Our sustainably certified Crypton® Home Performance Fabrics are easy to clean, soft, and durable—engineered with stain-, odor-, and moisture-resistant technology in every fiber.

Upholstered surfaces contain dense foam made from partially plant-based material, padded with poly fibers.

Box spring not required.

Frames include space to accommodate variances in mattress sizes and allow bedding to be tucked in.

Oakes is available in customizable fabrics and leathers. Call, email, or live chat with our Design Team to create your own.

We want you to love your Oakes as much as we do. We recommend ordering a fabric swatch prior to purchase, ensuring the perfect color choice.
