

# Hayes Cabinet

2460.00 €

Solid pine cabinets are reinforced with mortise-and-tenon joinery for added strength and stability. Hand-painted and distressed finishes are coated with lacquer for added protection. Handcrafted materials with hand-applied finishes may vary in color, pattern, shape, and texture, ensuring no two Hayes Cabinets appear exactly alike. Natural wood may display small splits, knot, joint lines, or other organic features, imparting truly one-of-a-kind character. Cabinet doors are accented by subtly antiqued brass hardware. Includes four shelves behind doors; top three shelves are fixed, and bottom shelf is removeable.
