

Meave 6 Drawer Mahogany Dresser

1575.00 €

Six generous drawers glide open on soft-close metal runners, revealing solid beech interiors built with dovetail joinery. The mahogany frame, reinforced for generations of use, is finished by hand in layered tones and sealed with a low-sheen lacquer. Brass mini-pulls add a quiet gleam to the wide, clean silhouette. Every dresser is handmade, so grain patterns and color shifts make yours one of a kind.
