

# Micah Walnut Dining Table

1890.00 €

Meet Micah: the table that turns every meal into a story. Sculpted from solid walnut, its Vertex base carves out legroom and conversation alike. Artisan hands shape each plank, so your grain pattern is a fingerprint—no two tables match. Expect knots, subtle shifts, and a finish that warms with every candlelit dinner. Ready for pancakes, puzzles, or red-wine nights, Micah ships flat and assembles in minutes, then stays beautiful for decades.
