

# Romanian Oak Layered Dining Table

3217.50 €

Layered Romanian oak and spruce turn every meal into a story. Hand-carved “metal” details add quiet drama, while natural oils make the grain glow. Choose Vin Rosu for warm brass-tone accents or Walnut for deep bronze highlights. Both finishes are sealed with a soft-sheen lacquer that shrugs off spills. Each table is one-of-a-kind: no two grain patterns, colors, or carved knots repeat. Seats six comfortably, unforgettable forever.
